

## Pendleton School District – Electronic Communications System Agreement

Your student needs your permission to use the district's electronic communications system. Your student will be able to communicate with other schools, colleges, organizations and individuals around the world through the Internet and other electronic information systems/networks.

With this educational opportunity also comes responsibility. Inappropriate system use may result in discipline, up to and including expulsion from school, suspension or revocation of your student's access to the district's electronic communications system, and/or referral to law enforcement officials.

Although the district is committed to practices that ensure the safety and welfare of system users, including the use of technology protection measures such as Internet filtering, please be aware that there may still be material or communications on the Internet that district staff, parents and students may find objectionable. While the district neither encourages nor condones access to such material, it is not possible for us to eliminate that access completely.

Attached to this letter is an agreement for your student and you to read and sign stating agreement to follow the district's electronic communications system policy and administrative regulation. The district's policy IIBGA – Electronic Communications System and administrative regulation are accessible from the district's website or upon request and include provisions on, but are not limited to, student use under General Use Prohibitions and Guidelines/Etiquette and student-related rules under Violations and Consequences.

Please review the district's Electronic Communications policy and administrative regulation, and the provision therein, carefully with your student and return the attached agreement form to the school office indicating your permission for your student to use the district's electronic communications system.
